

Call for Undergraduate Student Research Papers for Presentation at the 2007 Annual Meeting in Reno, Nevada (June 21-24, 2007) of the American Association of Family and Consumer Sciences

Undergraduate student members of Phi Upsilon Omicron and Kappa Omicron Nu are eligible to submit research papers for presentation at the American Association of Family and Consumer Sciences Annual Meeting in Reno, Nevada. A committee of professionals reviews all submitted research papers, and one is selected for presentation. Applicants should understand that this award carries the obligation of **presenting the paper** at the National Coordinating Council of Honor Societies luncheon at the 2007 American Association of Family and Consumer Sciences Annual Meeting, June 21-24, 2007 in Reno, Nevada.

CRITERIA FOR SELECTION

The following six criteria will be used in selecting the paper to be presented:

- relevance to family and consumer sciences.
- scholarly presentation.
- justification for the study.
- logical organization.
- mastery of the subject.
- appropriate documentation.

PAPER SPECIFICATIONS

- Papers submitted for consideration may describe student projects or research from seminars, independent studies, or class projects in the student's major and must be completed between January 1, 2007 and April 1, 2007.
- Papers must be submitted electronically as a Word attachment and should be five to ten pages in length. The document you are submitting should be double-spaced using an easy to read font such as Times New Roman or Arial and no less than a 10-point font.
- When submitting your research paper, identify your email message subject as "CCHS Undergraduate Research Award Submission."
- Only papers from completed research projects will be considered for the award. Papers may be submitted only one time.
- Students who completed their degrees in August 2006 or December 2006 and have graduated are still eligible to be considered for this award.
